

RESTAURANT AURORA

MENU

According to ancient stories, northern lights light up as a wild fox runs along snowy fells, waving its tail and igniting fiery sparks across the sky.

Witnessing the northern lights is an amazing experience, but so is the Nordic cuisine! That's why we have chosen to name our restaurant after the northern lights (Aurora Borealis).

Santa's Hotels will take you to a journey to the flavors of the Nordic, where genuine arctic flavors, feelings and people join together!

A JOY SHARED IS A JOY DOUBLED!

For ages we have gathered together around a shared meal to create the best memories and moments.
