M E N U

According to ancient Sàmi traditions, the sacred spring, "kaltio", can cure illness and refresh the mind. We believe that a delicious meal and genuinely warm service do the same.

This is how our restaurant is named Kaltio (in Inari sàmi language *käldee*).

Santa's Hotels will take you to a journey to the flavors of the Nordic, where genuine arctic flavors, feelings and people join together!

Share your experience with your close ones: our dishes are meant to be enjoyed together!

A JOY SHARED IS A JOY DOUBLED!

For ages we have gathered together around a shared meal to create the best memories and moments.

Santa's Hotels dishes are created to be shared: fill the table with a variety of dishes, combined classics or have a small taste of everything.
