M E N U

According to ancient Sàmi traditions, the sacred spring, "kaltio", can cure illness and refresh the mind. We believe that a delicious meal and genuinely warm service do the same.

This is how our restaurant is named Kaltio
(in Inari sàmi language *käldee*).

Santa's Hotels will take you through a journey to the flavors of the Nordic, where genuine arctic flavors, feelings and people join together!

Share your experience with your close ones:
our dishes are meant to be enjoyed together!
