

# Välke

## menu

Välke means sparkle in Finnish. Välke can be seen dancing on the surface of wavy waters, glimmering in the soft sandy beaches, twinkling in the starry night skies and sparkling in the corner of an eye of a playful mind, shining its light like a lighthouse at sea!

Restaurant Välke offers fresh flavours, delicious burgers and mouthwatering desserts, made with care from Finnish ingredients. Our restaurant embodies the ocean breeze and the beauty of nature and combines these elements in our carefully designed menu.

We wish you an enjoyable meal and glimmering unforgettable moments in Välke!

Welcome to Välke!
